

P52 Sage Riverlink

Theme(s): B: Improve people's understanding of rivers, catchments, weather extremes and climate change. Increase community participation in monitoring change and taking action to improve and protect water environments.

Goal(s): B3: Engage widely to educate about river issues and encourage positive behavioural change.

Link local communities and schools to the river through the Sage Gateshead's Learning & Participation team. The Sage Gateshead outreach team could be approached to develop a project with a link to the Northumberland National Park Authority's Sill project and its outreach/engagement team.
