

Actions from Don Partnership Meeting

22 September 2017

1. **Claire Rawcliffe:** to circulate to Elaine Smith the contact details of the officers from Esh undertaking tree root cutting works at Station Road
2. **Eilis Furlong:** to get an update from Clare Deasy regarding NW's study in relation to combined sewers in close proximity to watercourses.
3. **Rob Carr:** to speak to Lynda Kelly regarding the misconnections at Leam Lane.
4. **Jim Cokill/Rob Carr:** to discuss and organise a session to progress the HLF bid for the Don (action from last meeting).
5. **Michelle Hogg/Dorian Latham:** to circulate STC's draft flood risk report to the group for comments. Comments should be sent to Michelle/Dorian within 2 weeks of receiving the draft report.
6. **Rob Carr:** to speak to Tara Duncan (EA) regarding the EA's flood defence effectiveness initiative. This is a programme of flood defences the EA will no longer maintain.
7. **Michelle Hogg:** to check South Tyneside's Core Strategy's policies on river restoration and the River Don.
8. **Dorian Latham:** to circulate to Eilis Furlong, the appraisal sheets of NW assets in the STC's flood risk study.
9. **Peter Shield:** to speak to Jimmy Young regarding drainage at salt store at Follingsby Park.
10. **Rob Carr:** to organise a meeting to discuss how we can influence the Follingsby Park development.
11. **Rob Carr:** to organise a meeting with the appropriate partners to discuss the land management element of the EA's river don study.
